<Bielefeld, February 13, 2023> The Bielefeld-based Dr. August Oetker Foundation is donating 500,000 euros to the United Nations Children's Fund UNICEF to support relief efforts for people in the earthquake zones in Turkey and Syria. Humanitarian aid for the children will focus on ensuring the availability of clean drinking water and access to sanitary facilities, medical care, and protection and psychosocial support for unaccompanied children in the disaster area. The Foundation's Board of Management, the Board of Trustees and the employees of the Oetker Group companies, especially our colleagues at Dr. Oetker's Turkish subsidiary, mourn the victims of the devastating natural disaster and are with all those affected in their thoughts.
